Smart City Wireless Services • Kentucky Exposition Center

Wi-Fi Quick Access Guide

Wireless services are a self-service option you may purchase at any time.

- Open your browser *(Internet Explorer, Firefox, or other standard browser).*
- You should see a page resembling the graphic shown above.*
- If this is your initial purchase, enter your user name (email address) and create a password in the area shown on the left then click BUY NOW. Follow additional prompts to complete your purchase. Refer to service options and limitations shown to the right. ➜
- If you have already created an account and are returning for an additional session enter the email address and password you previously created then click LOGIN.
- *Please note user name and password are case sensitive.*

*If you do not see the above screenshot when you open your browser please refresh your browser. If you still do not see this page you may need to manually select the network name by following your computer's procedure for viewing and selecting a wireless network. The Smart City networks you will look for are "Exhibitor Internet" or "Instant Internet".

Available Wireless Options

Depending on where you are in the facility, you will see one or more of the following network names. Although you may see all networks, *they are only supported in the areas listed*. Choose the option which bests suits your location and requirements. All wireless services have private IP addresses.

- **Exhibitor Internet** - Available in most areas of the Expo Center.   Price is $79.99 per 24 clock hours per device. Speed up to 1.54Mbps up/down. $159.99 for 3 days or $239.99 for 5 days.
- **Instant Internet** - Available throughout the lobby and meeting room spaces. *This service is NOT available inside the Exhibit Halls*. Price is $12.95 per 24 clock hours per device.   Speed up to 256k up/512k down.
- **Free Internet** - Available in the South Wing A & C Lobbies only. Complimentary WiFi speed is 128k up/256K down.   This service is not supported by on site staff.

Please note: Due to network security restrictions we do not allow point to point communication on our wireless network.   If you need point to point connectivity for wireless printing or other applications please call 502-815-6600 for assistance.
