1. Event 1 Productions shall not be responsible for damage to uncrated materials, materials improperly packed, or concealed damage.
2. Event 1 Productions shall not be responsible for loss, theft, or disappearance of exhibitor's materials after they have been delivered to the exhibitor's booth.

Bills of lading covering outgoing shipments which are furnished to Event 1 Productions by exhibitors, will be checked at time of actual pickup from booth and correction made where discrepancies occur.
4. Event 1 Productions shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's material which make it impossible or impractical to exhibit same.
5. The consignment or delivery of a shipment to Event 1 Productions by an exhibitor, or by any shipper on behalf of any exhibitor shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth in this bulletin.
6. Event 1 Productions shall exercise ordinary diligence and care in the receiving, handling and storage of all shipments. Event 1 Productions shall not be liable for loss or damage by fire, acts of God, or causes beyond its control. 11. In order to expedite removal of materials, Event 1 Productions shall have authority, without further clearance from exhibitors, to change designated carriers.
12. Labor and services ordered on behalf of exhibitors by display builders or other parties must be so authorized in a letter from exhibitors.
13. Payment for all labor and services will be the responsibility of the exhibitor.
14. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers. The exhibitor agrees, in the event of a dispute with Event 1 Productions relative to any loss or damage to any of their materials or equipment that they will not withhold payment of any amount due to Event 1 Productions for Drayage or any other services provided by Event 1 Productions as an offset against the amount of the alleged loss or damage. Instead, they agree to pay Event 1 Productions at the close of the show for all such charges, and they further agree that any claim they may have against Event 1 Productions shall be pursued independently by them as a completely separate transaction to be resolved on its own merits.
15. Service charge of 1-1/2% per month on any unpaid balance will be made starting 30 days after date of invoice.
16. Where an exhibitor indicates choice of carrier for pickup it is the exhibitor's responsibility to arrange with such carrier for said pickup service. If the carrier does not pick up within the time limited for the removal of exhibitor's materials at the Exhibit Hall, we reserve the right to forward such material by the shipping method of our choice or to remove said material to our warehouse for disposition, at an additional charge to the exhibitor in accordance with prevailing rates for the service performed.
17. Material left behind without orders placed at the Drayage Service Desk may be classified as abandoned. The Drayage Contractor shall not be responsible for same. We are not responsible for any delay of rush shipments. We will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a dated time.
18. EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost. It is understood that Event 1 Productions is not an insurer, that insurance, if any, shall be obtained by the exhibitor and the amounts payable to Event 1 Productions hereunder are based on the value of the material handling services and the scope of Event 1 Productions liability as set forth above.

OFFICIAL SERVICE CONTRACTORS & EXHIBITOR APPOINTED CONTRACTORS

Show management, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed official service contractors to perform and provide necessary services and equipment.

Official Service Contractors are appointed to:

- Ensure the orderly and efficient installation and removal of the overall exposition,
- Assure the distribution of labor to all exhibitors according to the need,
- Provide sufficient labor to satisfy the requirements of exhibitors, and for the exposition itself,
- See that the proper type and limits of insurance are in force, and
- Avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractors will provide all usual trade show services, including labor. Exceptions are:

- Supervision may be provided by the exhibitor.
- The exhibitor may appoint an exhibit installation contractor or display builder.

Exhibitors may employ the service of independent contractors to install and dismantle their display, providing the exhibitor and the installation and dismantling contractor comply with the following requirements:

- The exhibitor must notify show management in writing and Event 1 Productions of the intention to utilize an independent contractor no later than 30 days prior to the first move-in day, furnishing the name, address and telephone number of the firm.
- The exhibitor shall provide evidence that the exhibitor appointed contractor has a proper certificate of insurance with a minimum of \$1,000,000 liability coverage, including property damage and workers' compensation naming Event 1 Productions as additional insured, to show management and Event 1 Productions at least 30 days before the show opening.
- The exhibitor agrees that they are ultimately responsible for all services in connection with their exhibit, including freight, drayage, rentals and labor.
- The exhibitor appointed contractor must have all business licenses, permits and workers' compensation insurance required by the state and city governments and the convention facility management prior to commencing work, and shall provide show management with evidence of compliance.
- The exhibitor appointed contractor will share with Event 1 Productions all reasonable costs related to its operation, including overtime to pay for stewards, restoration of exhibit space to its initial condition, etc.
- The exhibitor appointed contractor must furnish show management and Event 1 Productions with the names of all on-site employees who will be working on the exposition floor and see that they have and wear at all times necessary identification badges as determined by show management.
- The exhibitor appointed contractor shall be prepared to show evidence that it has a valid authorization from the exhibitor for services. The exhibitor appointed contractor may not solicit business on the exhibit floor.
- The exhibitor appointed contractor must confine its operations to the exhibit area of its clients. No service desks, storage areas or other work facilities will be located anywhere in the building. The show aisles and public spaces are not a part of the exhibitor's booth space.
- The exhibitor appointed contractor shall provide, if requested, evidence to Event 1 Productions that it possesses applicable and current labor contracts and must comply with all labor agreements and practices. The exhibitor appointed contractor must not commit or allow to be committed by persons in its employment any acts that could lead to work stoppages, strikes or labor problems.
- The exposition floor, aisles, loading docks, service and storage areas will be under the control of the official service contractor, Event 1 Productions. The exhibitor appointed contractor must coordinate all of its activities with Event 1 Productions.
- For services such as electrical, plumbing, telephone, cleaning and drayage, no contractor other than the official service contractor will be approved. This regulation is necessary because of licensing, insurance, and work done on equipment and facilities owned by parties other than the exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.
